FOCUS CARD

With the Focus Card, your pay will be deposited onto a prepaid Visa Card. Your card can be used anywhere Visa Debit cards are accepted worldwide. It is not a credit card and there is no cost to enroll.

Important Information about Procedures for Opening a New Account:

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: when you open an account we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

I hereby authorize my employer to initiate credit entries (deposits) and to initiate, if necessary, debit entries and adjustments for any credit entries in error to my FOCUS Card or bank account. This authorization will remain in effect until cancelled by me with written notification to my employer.
